

Product Specifications

Compound Information

Product Name: 聚赖氨酸				
EN Name: Poly-(L-lysine)				
Product No:	P43050	Molecular Formula:	(C H N O)x	
CAS:	25104-18-1	Molecular Weight:	-	

Quality Control Information

Test:	Norm:
Appearance	Off-white to yellow solid
Assay	95%
Structure	Conforms to structure
